Prelude

Welcome & Announcements

***Confession & Forgiveness**

P: God, our provider,

C: help us. It is hard to believe there is enough to share. We question your ways when they differ from the ways of the world in which we live. We turn to our own understanding rather than trusting in you. We take offense at your teachings and your ways. Turn us again to you. Where else can we turn? Share with us the words of eternal life and feed us for life in the world. Amen.
